SKYLINE DISPLAYS

Traditional skyline decorations are a stunning feature that add an eye-catching element to festive streetscapes. Suspended above streets, their grand scale and intricate designs make them a focal point, transforming ordinary streets into festive destinations that invite people to pause, admire, and immerse themselves in the seasonal charm. All skylines include rings for installation.

Bows shown are optional and should be purchased separately. See page 56.

Greenery Kylines

Our greenery skylines are made with durable steel frames, UV resistant branch garland and LED lights. We provide the necessary hardware to hang our decoration from the cable. Customer will need to supply the cable and the necessary cable mounting hardware.

LIGHTS

Each wreath comes standard with LED Lights.

PINECONES

Complimentary pinecones available upon request.

MODFlexTM

OUR NEW PATENT PENDING MODULAR DISPLAY

WHAT IS MODFlex™?

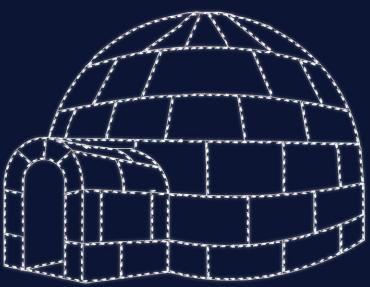

- 1 INTERCHANGEABLE
 Interchangeable faces for quick seasonal updates
- 2 SCALABLE

 Designed to grow to fit larger displays. Add on over time.
- 3 SMART SAVINGS
 Saves money by using the same base for new displays.
- 4 STORAGE

 Breaks into manageable sections for simple storage.

A DISPLAY THAT GROWS WITH YOU

Holiday Outdoor Decor's patent-pending modular display system is a smarter way to decorate. Each ground display is built with a reusable base and an interchangeable front — giving you the power to refresh your display without starting from scratch. From Christmas to Valentine's Day to summer events, one modular display lets you celebrate every season with ease.

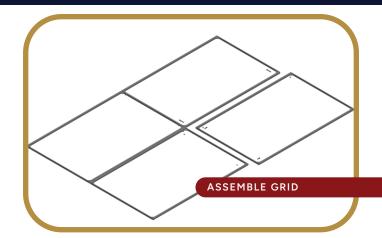

Engineered for displays 12' and larger, the system is ideal for making a bold, eye-catching impact in large outdoor spaces. And as your needs grow, your display can grow with you. The system is designed to scale — just add more units to build a larger footprint or create more immersive experiences.

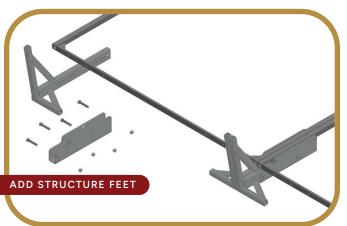

MODFlex™

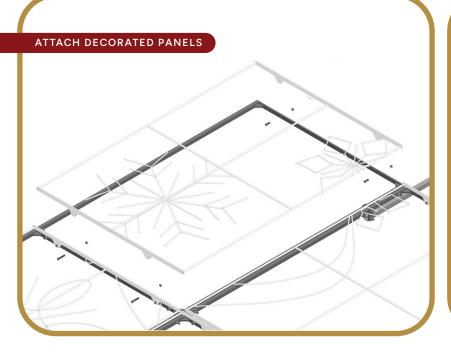

PATENT PENDING INNOVATION

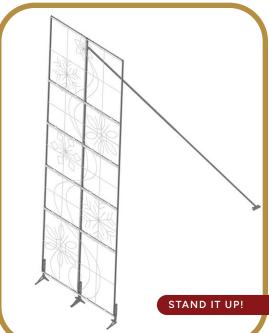

This exclusive modular system from Holiday Outdoor Decor is patent pending — giving you early access to a smarter, more sustainable solution for seasonal displays.

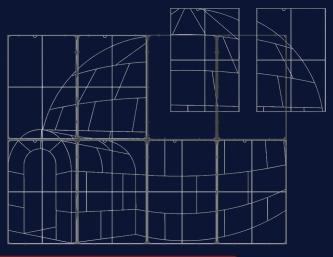

MODFlex™

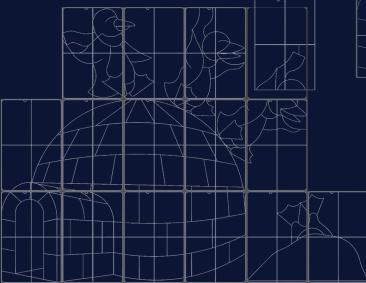

SCALABLE

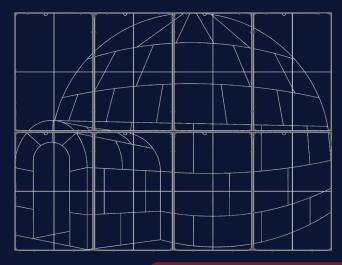

Start small or go big — each display unit connects seamlessly to others, allowing you to grow your display system over time.
